WORK EXPERIENCE

Performance Analytics Coordinator

University of Louisville Sports Performance • 2016-Present

- Collect, monitor, and report meaningful trends in sports data from multiple streams directly to Head Coaches and Staff to gain a competitive advantage.
- Develop a high performance environment by partnering with strength and conditioning coaches to create simple tools that enable professionals to create structure data from unstructured sources for further analysis.

International Sports Science Consultant

Turkish Women's National Basketball Team • 2018

- Created simple to use tools to organize testing, screening, Catapult, and Polar data to assess athlete readiness to compete in the 2018 FIBA Women's Basketball World Cup
- Conducted telecommunication sessions with performance staff members to facilitate the implantation of high performance strategies from 6,000 miles away in the US.

Sports Performance, Graduate Intern

University of Louisville • 2015-2016

- Completed the University of Louisville's 600 hour internship program, with special emphasis and instruction in: Athlete performance profiling, assessing and correcting movement, multi-directional speed development, strength and power programming for athletes, energy system development, practical recovery and nutrition strategies for collegiate athletes.

Director of Strength and Conditioning

Louisville Collegiate School (High School) • 2013-2016

- Established the first continuously structured strength and conditioning role and department in the schools 100 year history.
- Oversaw strength and conditioning facility development and maintenance, budget management, safety protocols, and emergency actions plans.
- Educated coaches, parents, and administration on the importance of strength training for high school athletes.

United States Army Infantry, Squad Leader (E5, SGT)

B Co 1-149th INF, KY National Guard, US Army • 2010-2016

- Awarded Battalion Non Commissioned Officer of the Year Award (2015)
